

—All prisoners taken Friday by the Italians, says a correspondent, de-  
clare the efficiency of the Austrian  
forces is ended. Of course, prisoners  
are always despondent, but there  
were many special symptoms tend-  
ing to make the assertions of these  
men perhaps close to the truth. Num-  
bers of prisoners captured on both  
the mountain front and the Piave  
have shouted in chorus, "Viva Italia!"  
as they were brought in. One intelli-  
gent prisoner, a commercial man,  
with a shop in London, said: "The  
Austrian army is on its last legs. We  
have been a soldier 42 months. I  
used to be a good soldier (as he spoke  
he showed me the highest medal of  
the Austrian army for bravery, won  
on the Russian front, but I am no  
good any longer as a soldier, as I  
have had no food." Several groups of  
Bohemian troops surrendered, produ-  
cing proclamations from the pockets  
which had been dropped by airplanes,  
in which it was said the cause of the  
Czechs and Slovaks as a nation had  
been espoused by Italy and inviting  
them to rally around their national  
ideal.

#### WAR STAMPS

THE LAST LAP OF THE RACE.  
To the School District Chairmen of  
Western York.  
You are on the last lap of the race  
in the sale of War Savings Stamps,  
having only three more days to present  
this fine opportunity to your friends  
and neighbors, to serve themselves  
and the Boys at the Front, by the pur-  
chase of Baby Bonds. Let all work-  
ers find out just how many have been  
placed and if you have fallen short of  
your allotment, have a neighborhood  
meeting and put all hands to work in  
order that none of the districts may  
fall short. Let us not be even sus-  
pected of being SLACKERS. If any-  
say that they have already done so  
and so cannot subscribe, ask them  
what they would think of a soldier or  
ordered into battle, and should say that  
he cannot go because he was in a but-  
the yesterday or once or twice before.  
Remember, YOU are in the attic if  
not in uniform. Collect up all sub-  
scription books and turn them into me  
on the 29th, containing Your Full  
Quota.
